Dennis and Will, attached is the final Federal Register Notice for Oregon CZARA. Recognize that it has language that the attorneys felt was necessary for purposes of the record so it's more bureaucratic and inside baseball sounding than perhaps we would like. However, we did work on the language so that it is more neutral sounding (Ex. 5 - Deliberative) than in the past. Also, note that this will be published a week or so after our formal decision since it takes a while to go through the admin. hoops for publishing FRNs.

The idea is for Dennis to sign today and then we would Fed Ex it to NOAA for signature by Russell Callender.
